Program for which you are applying:

How do you believe you would gain from participating in this program?

How does this program relate to your current direction and practice?

In exchange for your scholarship place, we will ask you to support the work of the Animas Valley Institute and Soulcraft Australia by contributing your ideas and skills eg. promotion, writing, research, event coordination. What would you like to offer?

You will also be asked to help with marketing and publicity by providing a testimonial at the end of your program/s and by circulating program information and updates through your existing networks. Are willing to do both of these things?

Any additional information to support your application.
